MUSIC PALOOZA - RECORD CD DVD SALE

AUSTRALIA'S MUCH LOVED MUSIC COLLECTOR'S MARKET RETURNS.

Start saving those pennies and prepare for one mindblowing weekend of collectible delectables. A streamless oasis, packed to the brim of VINYL, CDs, DVDs, Merchandise and more.

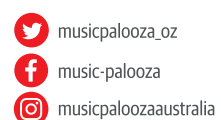

Whether you like to Dance the night away, get sexy with RnB, or Rap your lips around some hiphop beats, you're in for a real treat. Walk the line with some swinging country, bang your head to heavy rock, or synth out to some amazing soundtracks - it is all on sale. In fact, over 100,000 titles, including new releases, out-of-print gems, rare, pre-loved and clearance stock are on sale. Pick up a bargain, a long lost gem or replenish your library with a fabulous reissue.

Hardened collectors know how great these music markets are, so we ask the uninitiated, the aspiring young collector to come along and indulge in a weekend of music worship.

Interstate sellers include The Vinyl Junkie (NSW), Revolve Records and Relics (NSW, Heartland (VIC), and JJ's Vinyl (VIC). Local indie shops Underground Records, Clarity Records, Crackle and Pop will be bringing some serious heat. Then add to this many seasoned local sellers and you have one helluva collector's market.
